## Special Board Meeting Minutes

1333 Grand Avenue, Sacramento, CA 95838

Wednesday, March 4, 2015

Open Session: 6:30 PM

### Board Policy Regarding Board Minutes:

The minutes of open session meetings of the Board record all motions, show the names of Board members making and seconding motions and state the vote upon the motion. The open session minutes also record all resolutions, the recommendations of the administration and the substance of the Board's discussion or the substance of statements pertinent to Board's business made by members of the staff or public. The minutes follow a generally accepted pattern in form.

The original copy of the open session minutes are signed by the Secretary of the Board and approved by the Board. Original minutes are bound in chronological order, volumned by fiscal year and paged consecutively. The following documents are bound with the official minutes and referred to in the text of the minutes to which they apply:

- Original copies of all resolutions unless required by other agencies, in which case photocopies of the originals may be substituted
- Original copy of all budget transfers
- Copies of any document determined by the Board of Trustees to be attached to the official minutes
- Other documents which, in the opinion of the Secretary, are necessary to fully substantiate or record Board of Trustee action.

In addition to the official minutes, an additional copy of all minutes and attached documents are maintained in the office of the Secretary of the Board. This set of minutes is bound, indexed by those categories detailed above and by subject. The bound minutes and accompanying documents are open to public scrutiny within the boundaries of the law.

### Pledge of Accuracy

As the Secretary of Highlands Community Charter School, the following minutes are to the best of my knowledge accurate and sufficiently complete to represent what occurred at the board meeting.

## Rationale for Special Board Meeting

During the initial stages of the school, several contracts for consulting were accidentally considered and voted on in closed session. Most of these involved people who would later become employees, but due to not having all the human resource policies and procedures in place, it made more sense to initially pay for the services of these eventual employees as consultants (contractors). But this may have inadvertently been against the Brown Act, since at the time they were not employees and consulting contracts cannot be considered in closed session, and thus to remedy any potential problems, any consulting contract that was considered in closed session is being brought back to the board in open session, in a special board meeting, so any potential issues would be resolved as quickly as possible.
